## NOTICE OF PUBLIC HEARING

The Callaway County Ambulance District Board of Directors will hold a public hearing 7:00 p.m. on August 17, 2010 at Station 1, 311 Hickman Avenue, Fulton, Missouri. At this time citizens may be heard on the property tax rates proposed to be set by Callaway County Ambulance District, a political subdivision. The rates shall be set to produce the revenues, which the budget for the fiscal year beginning January 1, 2011 shows to be required from the property tax as adjusted by the sales tax revenue collected in the previous year. Each tax rate is determined by dividing the amount of revenue required by the current assessed valuation. The result is multiplied by 100 so the tax rate will be expressed in cents per \$100 valuation.

Assessed Valuation	Current Tax Year 2010	Prior Tax Year 2009
Real Estate (Residential)	\$248,020,020	\$243,650,890
Real Estate (Agriculture)	\$ 22,616,320	\$ 22,547,180
Real Estate (Commercial)	\$287,593,126	\$282,620,507
Personal Property	\$164,746,767	\$155,504,893
Less TIF	\$ -19,313,060	\$ -19,368,390
Total Assessed Valuation	\$703,663,173	\$684,955,080

Amount of Property Tax Revenue Budgeted for FY 2011 – \$0

Proposed Tax Rates for 2011 (per \$100) – 0.00

The increase in assessed value as a result of new construction and improvements is \$8,204,760 all of which is related to new construction and improvements of real estate and none of which is related to an increase in personal property. The permitted reassessment revenue growth is 0%. Because the proposed tax rate is zero, there will be no increase in property tax revenue due to an increase in assessed value as a result of new construction and improvement and no increase in tax revenue as a result of reassessment
