At this time citizens may be heard on the property tax rates proposed to be set by Callaway County Ambulance District, a political subdivision. The rates shall be set to produce the revenues, which the budget for the fiscal year beginning January 1, 2026, shows to be required from the property tax as adjusted by the sales tax revenue collected in the previous year. Each tax rate is determined by dividing the amount of revenue required by the current assessed valuation. The result is multiplied by 100 so the tax rate will be expressed in cents per \$100 valuation.
